VOLUNTEER RESEARCHER

WHAT WE ARE LOOKING FOR:
We are looking for someone to play a vital role in researching potential UK fundraising opportunities for us. This could include researching local schools or businesses, or finding social media influencers who are interested in our areas of work. You will share your findings with our fundraising team who will explore the opportunities further.

WHO WE ARE LOOKING FOR:
You will have local knowledge on any area in the UK and will be able to use that knowledge as a starting point to research a list of local groups, organisations and businesses. You will be comfortable working remotely, confident in using online search tools such as Google and LinkedIn and then compiling findings in a simple Excel spreadsheet. Most importantly, you will have a genuine passion for wanting to improve the lives of carers in India, Nepal and Bangladesh.

WHERE THIS ROLE IS BASED:
You can complete this role anywhere providing you have access to a computer and the internet.

WHEN THIS ROLE WILL BE PERFORMED:
This role is flexible. We suggest committing an hour or two per week at a time most convenient to you.

If this role sounds perfect for you, then please email info@carersworldwide.org to start up a conversation.
