SEASON’S GREETINGS!
WE WISH YOU A HAPPY AND PEACEFUL 2017!

KEY ACHIEVEMENTS THIS YEAR

- We worked intensively with 5 partner organisations, 3 in India and 2 in Nepal
- Our work directly impacted the lives of almost 5,000 unpaid family carers plus the 5,000 disabled and mentally ill relatives for whom they care and a further 15,000 family members
- 197 carers’ groups met regularly, with a total membership of 2,172 carers
- 5 Carers Associations and 2 Carers Co-operatives were registered at district level and interacted directly with local government, advocating for the needs of carers
- Counselling + health checks were available to all carers
- 1,320 carers received training and support to establish their chosen livelihood and return to work
- 9 community caring centres were set up to provide alternative care while carers are at work or school
- Carers Day was celebrated for the first time ever in Nepal!
- On World Disability Day in India, the contribution of carers was officially recognised by the Government of Karnataka, another significant first!

THANK YOU!
We are grateful to everyone who has supported us during 2016, in the UK, India and Nepal: institutions, Trusts and Foundations, community groups, local government, Marathon runners, Ride London cyclists and countless other individuals. Their support enables us to continue our important work: transforming the lives of unpaid family carers and putting their needs on the agenda of policy makers globally.

If you would like to support us in any way: a one off donation, a regular gift, taking part in a sponsored event or offering us your time and skills, please do get in touch at info@carersworldwide.org
